TESTIMONIALS

"The Emerging' is an outcome of sheer hard work and the grasp of musicality. The progressiveness of the album and the dramatic song arrangement, is enthralling. It is an honest and a brilliant effort."

- **Saurabh Chaudhary (Guitarist - Parikrama)**

"It was a pleasure to be asked to record drums on this album. I had a lot of fun getting to grips with this epic music and hopefully helped to bring Sutej's compositions to life!"

- **Raymond Hearne (Drummer - Haken)**

"Fantastic playing and wonderfully reserved phrasing 🔥"

- **Rob Chapman**

"I was honored when asked to be a part of this monumental album. Sutej's work is captivating and very well executed, making it fun to put my own flavour to it."

- **Peter Henningsson**

"Incredible ! After a long time heard something so amazing"

-**Katrina Kaif**

"..opulent, loud and proud"

-**The Week**

"The Emerging by Solan-based guitarist Sutej Singh is a masterpiece.It is complete."

- **A Humming Heart**

"..excels in the ability to gradually build-up up lush lead guitar driven compositions into more heavy soundscapes"

- **Metal Injection**

"...Theatrical with unmissable orchestral elements..."

- **Indulge Express**

"..it's essentially an album that was written in the bedroom but built for a stadium.."

- **Amit Gurbaxani (Writer/Music Journalist)**

"..can't think of anything to give this BUT 10/10"

- **Progressive Music Planet**
